**Nation's Largest Shipping Reseller Achieves Franchise Business Review's
Annual Franchisee Satisfaction Award**

Unishippers Ranks No.39 in its Top 200 Franchises in 2014

Salt Lake City, UT – [Unishippers Global Logistics, LLC](#), the nation's first and one of the largest small package and freight shipping resellers, announced its ranking at No. 39 on Franchise Business Reviews' prestigious 2014 Franchisee Satisfaction Awards Top 200 Franchises list, including being recognized under the Best of the Best in the Business Services category.

Franchise Business Review, a national franchise market research firm, annually recognizes franchisors with the highest overall franchisee satisfaction based on its survey of franchisees. To find their 2014 Top Franchises, Franchise Business Review surveyed more than 26,000 franchisees representing more than 350 brands and 78,000 franchise units/locations. The survey included 33 benchmark questions, relating to the franchisee's experience and satisfaction as well as market area, business lifestyle, and other demographic characteristics.

"We're thrilled to be ranked for our fifth consecutive year, especially given the rankings come from anonymous surveys completed by our franchisees themselves," said Kevin Lathrop, President of Unishippers. "This award is a true testament to the quality and financial performance of our franchise program and it directly translates into happy customers."
