

Your Guide to FTL Freight Services

Full truckload solutions as unique as your business.

Since day one, Unishippers has been dedicated to driving success for our **small to mid-size business (SMB) customers** across the country. We've worked hard to become an industry-leading third-party logistics (3PL) company providing top-quality **full truckload (FTL) freight solutions for SMBs**.

When it comes to selecting a 3PL to manage your freight services, there are many things to consider. To make the process as painless as possible, we've put together an overview of all the benefits partnering with Unishippers for FTL shipping has to offer.

WITH FTL SERVICE FROM UNISHIPPERS, YOU'LL GAIN ACCESS TO:

- ✓ A network of more than 85,000 of the nation's top FTL carriers
- ✓ Innovative, problem-solving technology to give you a competitive edge
- ✓ Award-winning service across LTL and FTL freight, including a variety of specialty freight services
- ✓ International freight shipping solutions across multiple modes
- ✓ Painless, affordable freight insurance to protect your precious cargo

The best part? You'll save valuable time and money with solutions that are custom-tailored to your individual goals and needs.
