

5 WAYS UNISHIPPERS MAKES YOUR LIFE EASIER

Learn why small and mid-sized businesses (SMBs) choose Unishippers to simplify their shipping — and their lives.

1

One Provider for All Your Shipping

As a leading third-party logistics (3PL) provider, Unishippers makes shipping easy for SMBs. Whether you're sending small packages or large freight, we've got you covered. With our freight carrier network, UPS® relationship, expertise and flexible options, you can streamline your logistics, reduce costs and ensure timely deliveries. From parcels to freight, Unishippers helps you handle it all with ease.

2

Save Money With Competitive Rates

As part of the nation's largest nonretail authorized reseller of UPS® and through our volume discounts from our freight network of 75+ LTL and 45K+ FTL carriers, we negotiate the best possible rates. Whether you're shipping across town or around the world, you'll get competitive pricing on every shipment.

3

Streamline Shipping With Our Advanced Technology

Our myUnishippers™ platform is designed to save you time and reduce hassle. It's easy to use, intuitive and gives you complete control over your small package and LTL shipments — all in one place. Track orders, schedule pickups and manage your logistics from one convenient platform. Also, our detailed shipping reports and analytics give you valuable data to assess your shipping efficiency and optimize your logistics.

4

Invoicing Made Simple

No more dealing with multiple, hard-to-decipher invoices. Unishippers simplifies billing by consolidating everything into one easy-to-understand invoice. Instead of juggling multiple bills from different carriers, you get everything in one place — meaning fewer headaches and more time to grow your business.

5

Personalized Service & Consultative Approach

Shipping is about more than just moving packages. At Unishippers, our team of experienced logistics professionals is here to help. We'll analyze your shipping, find ways to improve efficiency, and provide customized solutions that streamline your operations. Our relationship goes beyond transactions. We see it as a partnership!
